

*"The Company" to have in your home!*

TO WHOM ITMAY CONCERN:

North East Furniture has just finished a high impact, cash raising sales event.

We used Mike Jensen (Mike Jensen & Associates) to plan, organize and operate the event. Mike is very knowledgeable in all aspects of the furniture business and was able to guide us professionally in various decisions to be made concerning advertising, pricing, display etc. His support staff, especially the sales team, was extremely professional and sensitive to our reputation and customer base.

We would be happy to entertain all inquiries about the specifics of our sale, which cannot be enumerated in this letter.

Cordially,

Garth A Jones
