

To Whom It May Concern:

We have used the services of various promotion firms over the years with limited degrees of success.

But I have to say that MC Jensen and Associates is by far the best firm we have ever worked with. After evaluating the event results of our Kalispell, Montana store, I canceled a contract with another promoter and contracted their services for our remaining 4 stores.

Mike is the easiest person to work within the industry. He has taken our concerns to heart and made the appropriate adjustments. His managers and sales people are upstanding and professional. The advertising was outstanding and reasonably priced and the augmented inventory was perfect for our store. I would not use anyone else and would highly recommend using his services.

Sincerely
