Dear Mike

Thanks for the great event HIGH IMPACT FURNITURE SALES created for us. Even though business has been way down, our event has been extremely profitable. When we looked at all the other promotion companies, we realized that they would make all the money, not us! You, on the other hand, created a program that allowed us to make significant money. What a God send.

Thanks for all your insight and help. It has meant the world to us. You truly are all about profits.

Sincerely
